## DON'T MISS PRINCESS SALLY'S THIRD ISSUE!

Hey, Freedom Fighters! I've got just enough space in my editor's box to remind you that the third and final issue of Princess Sally's dramatic, non-stop action mini-series is still on sale!

Tune in next issue to this same Sonic-Grams space when I reveal the awesome details of the new **SONIC & KNUCKLES** 48-page Special comic book!

*Scott*

Dear Sonic,  
I record your shows and I have a plush toy of you and I sleep with it every night. Is Knuckles going to be on your side in **Sonic & Knuckles** for Sega? I want to know, when is Robotnik going to give up, especially when you work so hard to beat him? I have two of your comics and I look for more but can't find any. Where is the Princess Sally comic book and where can I get it?

Steven Wise  
Chillicothe, OH

Hey, Steven, when you sleep with my plush toy make sure his head doesn't get tangled in the covers! If you've played my **Sonic & Knuckles** game by now, you already know that Knuckles can be both friend and foe. But to find out what he *really* is, you'll have to check out my **Sonic & Knuckles** 48-page Special comic book. Keep reading future Sonic-Grams pages for details! Also, to find more of my comics and Princess Sally's, check out the "Sonic The Hedgehog Back Issue Offer" in this book.

Dear Sonic,  
I am just writing to let you know I made friends with Knuckles in **Sonic Triple Trouble** on Dec. 26, 1994. I know that this letter won't be printed until around June 1995, so that is why I put the date in. Did I mention that Dec. 26 is the day after I got the game? Could you have **Knack The Weasel** in one of your comics? I like him. I think he is neat. I know that if I write too much in this letter, you and Tails will zoom down in Earth and rip my head off, so I just want to say give Robotnik an extra kick.

Nathan Hanson  
Gray, MI

Hal Got ya', Nathan! Your letter was printed about two months earlier than you expected! Fast letters, fast feet--it's all the same to me! And don't worry, the only heads I'm gonna rip off belong to the Swatbots! You can look forward to seeing Knack The Weasel starring in my **Sonic Triple Trouble** 48-page Special comic book coming soon! ...Uh...that was supposed to be a secret! Shh! Don't tell anyone!
